

Notice on school fees 2024-2025.

(26/06/24)

The school fees related to a pupil's education at Agnes School are structured in two main categories:

- a. The so-called "**mandatory**" fees: they include the tuition fees and the fixed flat fees per child
- b. The so-called "**optional**" fees: they stem from voluntary choices made by families, based on optional enrollment.

This notice on school fees forms an integral part of the booklet on "Rules and practical information". A child's place at the school is dependent upon the parents accepting and adhering to the present notice and rules.

I) The mandatory fees

The tuition fee is reviewed and set annually by the Board of Directors of Agnes School asbl. An annual invoice is issued in September of each academic year. It can be paid either monthly (over 10 months – due by the 10th of each school month, excluding July and August), or quarterly (due on 30/09, 31/01 and 30/04), or in one full transaction (due by the 31/10). Payments can be done via bank transfer or direct debit.

From the moment a pupil joins the school, the full yearly mandatory fees are due. Early departure during the school year does not result in a reduction nor in the pro-rata temporis of the amount of the annual bill.

1.1 First enrollment and subsequent re-enrollments

First registration: payment of a non-refundable administrative fee of 750 Euros per child.

First registration for a child whose siblings are already attending Agnes School in 2024-2025: payment of a deposit of 500 Euros per child.

When the school confirms the allocation of a place to a pupil, families are invited to commit by paying a deposit of € 500 per registered child. This is a guarantee that is returned when the student leaves school, when all invoices have been duly paid. The deposit will not be refunded in the event of subsequent cancellation of registration.

Subsequent re-registrations: payment of a re-registration guarantee.

In order to guarantee the place of a pupil within the school from one year to the next, parents are invited to pay (around December/January) a deposit on the school fees for the following year in the amount of 600 Euros per re-enrolled child. This deposit will be automatically deducted from the fees of the following year and will be included on the first invoice to be issued in September. This sum cannot be returned in the event of a subsequent withdrawal / cancellation of registration.
